Paddle

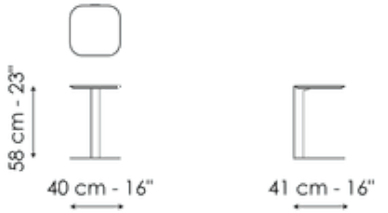

Designer: Mauro Lipparini

With shapes inspired by the typical sports paddle to which it is an explicit tribute, Paddle is a collection of tables by Mauro Lipparini with a light and linear design. Available with two table tops (in Canaletto walnut or coal oak), the coffee tables are completed by a load-bearing structure in bronze or lead painted metal.
The modern wooden coffee tables are distinguished by the clear-cut shapes of the tops and profiles and softened by the rounded edges. Arranged individually or in combination with other elements, they offer ample possibilities for insertion in the most disparate domestic and hospitality spaces.
